Monday 12th October 2026

Dear Katie and Estela,

We are the School Council at St. Luke's Primary School. This year we have been elected to represent our classes and share the ideas and views of other children in our school.

At school, we learn about being courageous advocates and standing up for people in our local community and the wider world. As a School Council, we are already taking action to make a positive difference in our school, such as introducing friendship benches to encourage children to make new friends and include others. We care a lot about our village and would love to learn more about how decisions are made that affect Sway.

We were wondering whether you would be willing to come into school to talk to us about the Parish Council and how it works. We would love to learn more about how the Parish Council supports our village and how we could work together to make a positive difference in our community this year.

Please let us know if this would be possible.

Thank you very much for your time, and we hope to hear from you soon.

Yours Sincerely,

St. Luke's School Council
